Louis Fabrice Senga

FULL-STACK ENGINEER IN PROGRESS

African Leadership University | Kigali, Rwanda

+250 794234419 fabricesen07@gmail.com

CURIOUS BY NATURE. LEARNING, BUILDING, AND GROWING.

PROFILE

Aspiring full-stack engineer at African Leadership University, based in Kigali, Rwanda.
I enjoy turning ideas into thoughtful digital experiences and learning through hands-on projects.

TECHNICAL TOOLKIT

LANGUAGES	Python | JavaScript | C++ | Rust
DATABASES	PostgreSQL | MySQL
WEB	HTML5 | CSS3

SELECTED PROJECTS

WEATHER, WORLDWIDE

Real-time, city-based weather concept integrating a third-party API, loading states, and a dynamically styled interface.

PERSONAL FINANCE AGENDA

Interactive expense and income tracker that calculates totals and balance, with dynamic transaction rows that can be added or removed.

MOVIE SEARCH DASHBOARD

OMDb-powered movie search concept with paginated results, movie cards, and detailed views.
